

## **EXCHANGE BASE**

Exchange base is a procedure where client's device is replaced with the device of the same type from PBM's workshop. The device from the workshop is second hand device overhauled with genuine spares. Device from PBM has guarantee 'good-as-new'.

Overhauled second hand devices from PBM's workshop are warranted to be free of defects in materials and workmanship, when installed and used in the manner for which they are intended, for a period of 12 months from the date of shipment from PBM.

The client's device(s) (which was replaced) should be sent to PBM's workshop for overhauling within 30 days.

PBM is offering hydro-mechanical governors, pneumatic valves/cylinders/actuators and engine connecting rods on exchange base.

More information regarding Exchange base in particular you can find under FAQ directory.
